

DART HAS ALWAYS HAD A FRIENDLY, LAID BACK AND CALMING PERSONALITY.

Nothing worries him (except for some occasional scary monkeys) and he will always work his heart out for a carrot at the end as a reward.

DART CAME TO THERIS IN 2018 AFTER GOING INTO RETIREMENT FROM COMPETITION AND TRAINING IN DRESSAGE.

He has since then captured the hearts of our riders with his BIG personality and his teddy-bear like appearance. He always has a friendly disposition and is always up for receiving hugs and kisses!
