

A SHORT STORY ABOUT

DART

A NEWSLETTER BY THERIS

D'ARTAGNAN (DART) CAME TO SINGAPORE IN MAY OF 2013.

He was born in Germany on the 23rd May 2001 and is a Oldenburger. He was originally bought for a lovely lady at the Singapore Polo Club and came to Singapore as a 12-year-old. He is a Grand School Master in Dressage and so he knows pretty much all the movements needed in Dressage!

DART IS ONE OF THE TALLEST HORSES HERE IN SINGAPORE.

He stands tall at 17hh (approx. 172cm) tall! That is from the ground to his highest part of his back (the withers) not even up to his head! He competed in many competitions successfully during his dressage career here and even won some ribbons in show-jumping!
